Re: Palmdale Sheriff's Off Road Enforcement Program

Dear Sgt Acton,

I would like to thank you and the entire Palmdale Sheriff Off Highway Vehicle (OHV) Team for your presence in the neighborhood. As you are well aware, we have been troubled by off roaders who ride where they wish, without respect of others and most importantly disregard for safety. As a healthcare provider in the Antelope Valley prevention of accidents is always our first priority. Through your team's efforts, we have experienced a decrease in off road vehicles in the area. Another positive result from the presence of your team, the hillside is experiencing plant regrowth on the numerous trails created and a benefit to the entire community during this rainy season, a decrease in erosion caused by these trails. We sincerely appreciate your team's efforts to preserve our local environment and promote safety in our neighborhoods. I strongly support the continued funding of the Sheriff Off Highway Vehicle Team. If you would like any further details, please feel free to contact me.

All the best,

Deborah Rice-Lang MN, FNP
